

CHAT WITH DECAT

Let's brainstorm about upcoming or potential projects and how to collaborate.

Have a project to discuss?

Do you want to learn more about Decat & CPPC missions?

Need a Brainstorming Session?

Do you need to connect?

Want to Maximize resources that already exist?

Chats are created for Decat teams to connect with community to learn more about agencies and other opportunities.

Chats will provide up to 5 community partners in one chat. This can be one agency or a variety of up to 5 agencies.

Chats are designed to help find resources and connections for Families and Youth in the community.

Chats may include additional Decat/CPPC coordinators and community partners from other Central Iowa Counties.

Chat locations will be scheduled based on the centralized location for all involved organizations. A RSVP is required.

Chats may be scheduled for up to 2 hours pending topics and location. Follow-up chats may be requested.

**Chats can be requested by emailing:
Jaime.Stevens@hhs.iowa.gov or Lisa.Cort@hhs.iowa.gov**
