Dear Friends,

It does not seem possible that it is time to start thinking about the holidays!

The Family Enrichment Center (FEC) just completed its 36th year of partnering with families to help them leave welfare and achieve family stability.

Whether you are an annual supporter of our holiday program, or are hearing about us for the first time, we are hoping that you will think of us this year! We anticipate a need to provide gifts for approximately 500 children. More information regarding our “FEC Stars” Holiday Program will be sent out within the next few weeks. We hope that you will participate!

Year round, we also provide other donated items to our families. We accept donations of clothing, household goods, personal hygiene items, books and school supplies. Please call if you wish to donate any of these items or if you have any item that might be of use to a low income family.

Our address is 2309 Euclid Ave Des Moines, IA. Call 286-3406 from 8:00 a.m. to 4:30 p.m. Monday through Friday if you wish to donate items.

Thank you for your support.
